JOSH SHIPP

Statistically, Josh Shipp should be dead, in jail, or homeless. But his success as a preeminent author, speaker, and global youth empowerment expert is living proof of the power of one caring adult. A former at-risk foster kid turned youth advocate; Josh is renowned for the documentary TV series on A&E that followed his groundbreaking work with youth and families.

He has written two national bestsellers, "The Grown-Up's Guide to Teenage Humans" – winner of the Nautilus Gold Award for Parenting & Family – and "The Teen's Guide to World Domination." Thanks to the support of teachers, counselors, and a fantastic set of foster parents, Josh went on to be named to Inc. Magazine's 30 under 30 list and completed his postgraduate studies at Harvard.
